A DEVELOPMENT OF 4 BEDROOM FAMILY HOMES
SYDNEY ROAD, CREWE

WELCOME TO ALEXANDRA GARDENS

AN EXCLUSIVE DEVELOPMENT OF FAMILY HOMES

Situated just off Sydney Road, Crewe, Alexandra Gardens is a development of four bedroomed executive family homes. Finished and decorated to the highest possible standard, Alexandra Gardens will showcase exactly what life in a new Watkin Jones Home could look like for you. Beautifully designed and expertly constructed Alexandra Gardens is the ideal place to call home.

THE PERFECT FAMILY ENVIRONMENT

IN THE HEART OF CHESHIRE

Inspired by traditional values, Alexandra Gardens provides the perfect response to people's desire for quality, newly built homes but in an environment that is healthy, sustainable and community focused.

Peaceful, natural surroundings flank Alexandra Gardens and will provide a more tranquil environment for homeowners to enjoy.

Situated to the east of Crewe, Alexandra Gardens is ideally situated for those looking to explore the stunning Cheshire countryside. Families can take in the green spaces of local favourite Queens Park and enjoy the Victorian clock tower and waterfall or head a little further north for a stroll around the stunning Delamere Forest.

The Cheshire landscape is wonderfully varied, stretching from the internationally important Dee estuary to the windswept moors of the Cheshire Peak district. In between lies a rich mosaic of agricultural land, woodland and lowland heath interlaced with rivers and canals making Cheshire one of the countries greenest counties to call home.

CREWE

— A TOWN OF HERITAGE AND HISTORY —

For many years Crewe was the heartbeat of our railway industry with the Crewe Works becoming the most prominent centre for manufacturing and overhauling locomotives.

Also synonymous with luxury car manufacturing in the UK, Crewe was home to Rolls Royce from 1946 to 2002 and is now the current home of the Bentley motor car brand.

Conveniently located, Alexandra Gardens benefits from everything that a busy town like Crewe has to offer. The development is located less than 2km away from the shops, restaurants and bars that this bustling town has to offer. The Market Centre and Victorian Centre provide a mix of high street retailers and independent shops and The Grand Junction retail park is a little over a mile away. Art and culture is well represented with a variety of institutions such as the grade II listed Lyceum theatre, the Axis Arts centre and local cinema.

Crewe also offers fantastic transport links. It has one of the largest railway stations in the North West and acts as a major interchange on the West Coast main line. It's 12 platforms means Crewe is ideally situated to service the cities of Liverpool, Manchester and Birmingham. It also provides a direct service to London Euston with an average journey time of 1hour 35 minutes. Road links are also excellent. Crewe is on the A500, A530 and A534 and lies less than 5 miles from the M6 – ideal for anyone travelling throughout the wider North West, North Wales and the Midlands. Manchester Airport is only 30 miles away and Liverpool John Lennon airport is 40 miles away, meaning travel to destinations all over the globe is easily accessible.
